CREATE YOUR OWN Healing Space & Home Treatment Program

- Snoring / Sleep Apnea
- Neck Pain / Nerve Pain
- Improved Respiration
- Sleep disorders
- Noise reduction
- Stress/Anxiety

This remarkable meditation and sleep mask combines light blocking, eye space protection, healing sound and soothing comfort to take you to a deeper level of relaxation. Your RespiMask is specifically designed to decrease the anxiety and stress related to sleep apnea and the noise and look of CPAP equipment.

Discovering the healing power of sound is easy. . Dr. Scott Fried and other experts take you on a journey to a new level of tranquility, relief and healing. You will literally BREATHE EASIER! The patented Meditation Sleep Apnea Mask works with earbuds and airpods to bring your comfort, calm and easier breathing. .

HOW TO USE YOUR RespiMask

1

Set up your mask headgear by opening and attaching the nasal pillow and its support system for easy breathing.

2

Put your apple airpods or earbuds on & connect to music or meditation audios or nature sounds. Then put on your mask and open the flap.

3

Check to be sure your nasal pillows fit snugly but comfortably. Adjust the side strap and enjoy your own relaxation and healing space....

Breathe Easy!!

Experience CPAP as never before:
